ANNAPOLIS VALLEY FIRST NATION

Management's Responsibility for the Consolidated Financial Statements March 31, 2020

The accompanying consolidated financial statements of Annapolis Valley First Nation are the responsibility of management and have been approved by the Chief and Council.

These consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board. Management is responsible for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The external auditors, BDO Canada LLP, conduct an audit, in accordance with Canadian generally accepted auditing standards, and express their opinion on the consolidated financial statements. The external auditors have access to management of Annapolis Valley First Nation and meet when required.

Independent Auditor's Report

To the Members of Annapolis Valley First Nation

Opinion

We have audited the consolidated financial statements of Annapolis Valley First Nation (the "First Nation"), which comprise the consolidated statement of financial position as at March 31, 2020, and the consolidated statements of operations, consolidated change in net financial debt, and consolidated cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the First Nation as at March 31, 2020 and its consolidated results of operations, its consolidated changes in net financial debt and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the First Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. SIGNIFICANT ACCOUNTING POLICIES

(a) Nature of Operations

Annapolis Valley First Nation (the "First Nation") operates under the authority of the Indian Act.

The mandate of the First Nation is to provide services to band members and the community. These services are grouped into the following key areas: Band Administration, Social Services, Education, Health, Community Fisheries, Commercial Gaming and Social Housing.

The First Nation is exempt from income taxes under the Income Tax Act.

(b) Basis of Accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards.

(c) Reporting Entity

The reporting entity includes the First Nation and all entities that are controlled by the First Nation.

The reporting entity includes the following segments:

Band Administration
Social Services
Community Health
Education
Capital, Operations and Maintenance
Gaming Commission
Commercial Fisheries

All controlled entities are consolidated in the First Nation's financial statements according to the First Nation's percentage ownership except for entities that meet the definition of a government business enterprise, which are included in the financial statements on a modified equity basis. Accounting policies of consolidated entities are conformed to those of the First Nation and interorganizational balances and transactions are eliminated upon consolidation.

Entities fully consolidated in the First Nation's financial statements include:

	% ownership
2501745 Nova Scotia Limited	100%
AVFN Development Group GP Ltd.	100%
AVFN Forestry Group Limited Partnership	100%

Under the modified equity method of accounting, only the First Nation's investment in the entity and the First Nation's portion of the entity's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the entity that are different from those of the First Nation and inter-organizational balances and transactions are not eliminated.

Entity's accounted for on a modified equity basis include:

WFL Holdings Limited (100% shareholder of Webster Farms Limited) 100%

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(d) Trusts Under Administration

Trusts under administration by the Government of Canada are included in these financial statements (Note 4).

(e) Pension Plan

The First Nation has a defined contribution plan for its employees. The pension costs are charged to operations as contributions are due. Contributions are a defined amount based on a set percentage of salary.

(f) Cash

Cash consists of cash on hand, bank balances, unrestricted operating and housing cash, and externally restricted replacement reserve cash.

(g) Temporary Investments

Temporary investments are recorded at cost, unless the market value of temporary investments has declined below cost, in which case they are written down to market value.

(h) Tangible Capital Assets

Tangible capital assets are valued at acquisition cost and amortized over their useful life using the straight line method for the following number of years:

Band Owned CMHC Housing	25 years
Band Owned Housing	25 years
Commercial Buildings	40 years
Computer Equipment	4 years
Land Improvements	30 years
Fishing Vessels	5 years
Roadways	5 years
Underground Networks	50 years
Vehicles & Equipment	5 years

Tangible capital assets are written down when conditions indicate that they no longer contribute to the First Nations' ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

(i) Inventory

Inventories of supplies and goods available for resale are recorded at the lower of cost and net realizable value using the first-in first-out costing method.

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(j) Revenue Recognition

Revenues are recognized in the period in which the transactions or events occur that give rise to the revenues. All revenues are recorded on an accrual basis.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to goods or services are recognized as revenue in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Revenue received in advance of the fee being earned or the service performed is deferred and recognized when the fee is earned or service is performed.

2. PRIOR PERIOD ADJUSTMENT

A prior period adjustment has been made and comparative amounts have been restated to correct an error related to the amortization of the fair value increment on the purchase of Webster Farms Limited. The First Nation did not previously record this adjustment.

The financial statement amounts that are presented for comparative purposes have been restated as follows:

	Increase 2019 (Decrease)				2019 restated	
Loss from government business enterprise Investment in government business enterprise Annual Surplus Accumulated Surplus, Ending	\$ \$ \$	15,119 5,800,649 394,272 8,385,334	\$ \$ \$	106,697 (106,697) (106,697) (106,697)	\$ \$ \$	121,816 5,693,952 287,575 8,278,637

	\$ 1,597,528	1,773,933

Under the terms of an agreement with Canada Mortgage and Housing Corporation ("CMHC"), the First Nation must set aside funds annually for the repair, maintenance and replacement of aged assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation with any interest earned to be credited as revenue to the CMHC Replacement Reserve.

The First Nation is also required to have trust funds held by the Federal Government in a separate bank account. These funds increase annually by the interest earned. They can be withdrawn for their intended purposes, if requested.

The First Nation operates 21 (2019 - 22) CMHC subsidized housing projects. These funds, plus accumulated interest, must be held in a separate bank account and used for future repairs or other expenditures only as approved by CMHC.

As at March 31, 2020, the First Nation has provided funding of reserves as follows:

	Amount of Reserve		Amount Funded	
CMHC Replacement Reserve (Note 3)	\$	125,863 \$	150,418	

16. ECONOMIC DEPENDENCE

The First Nation receives its principal source of funding under a funding arrangement with Indigenous Services Canada. The present agreement is for a ten year term ending March 31, 2029. Without the current funding agreement, the First Nation would not be able to provide the majority of its services to band members.

17. CONTINGENCIES

The First Nation has entered into contribution agreements with various federal government departments. Funding received under these contribution agreements is subject to repayment if the First Nation fails to comply with the terms and conditions of the agreements.

20. SUBSEQUENT EVENT

On March 11, 2020, the World Health Organization characterized the outbreak of a strain of the novel coronavirus ("Covid-19") as a pandemic. On March 16, 2020, the Province of Nova Scotia issued Emergency Orders to close all gaming, and most commercial offices and activities, other than essential services. The operations of AVFN gaming and commercial fisheries resumed in accordance with provincial regulations, but are operating at a more limited capacity. It is unclear the extent to which those business units will be impacted by any future waves of the virus.

22. SEGMENT DISCLOSURE

The First Nation provides a wide range of services to its members. For management reporting purposes, the First Nation's operations and activities are organized and reported by program. Programs were created for the purpose of recording specific activities to attain certain objectives in accordance with specific regulations, restrictions or limitations. The activities can be categorized into segments. The following segments have been identified and as such are separately disclosed.

Band Administration

The administration department oversees the delivery of all government services and the day-to-day operations of the First Nation.

Social Services

The social services department is responsible for administering social assistance payments as well as providing social services to band members.

Community Health

The community health department provides medical services to band members.

Education

The education department provides educational services to band members including primary and secondary schooling, and sponsorship to attend post secondary institutions.

Capital, Operations and Maintenance

The operations, maintenance and capital department provides public services that contribute to community development and sustainability through the provision of operating services such as roads, water and sanitation, fire protection, electrical and community buildings. They are also responsible for all capital asset activities occurring in the First Nation during the year, including housing construction and renovations.

Other Projects

The First Nation provides a wide array of other services, including community fisheries, youth employment projects, economic development, social housing activities, etc.

Gaming Commission

The Annapolis Valley Gaming Commission was set up to enter into an agreement with the Atlantic Lottery Corporation for the operations of video lottery terminals on the First Nation reserve. It also operates a convenience store, gaming facility and gas bar on the reserve.
